

## Welcome to your **Olio Loyalty Program!**

In the Olio Coworking Family, a loyalty rewards program helps build a positive spirit and unified bond amongst coworkers. Olians have the chance to be rewarded through inviting new guests to the Olio family or interacting with the super awesome members that already office out of the space.

An Olian can receive awesome prizes or coworking discounts for their efforts if they go above and beyond to help another coworker or build/improve the coworking community. By rewarding coworkers for enhancing/participating in the community, we hope to show our appreciation for the hard work being done to make Olio a better place.

While we will try our best to reward coworkers, we will leave it up to you to email [loyalty@oliocoworking.com](mailto:loyalty@oliocoworking.com) when you refer/purchase an item from an existing coworker, participate in an Olio event, invite a guest to visit the space, or refer a new member to the Olio team.

# 6 Ways To Earn Ollars

## 1

### Refer A Friend

This one is pretty straightforward. Refer a friend or random stranger to Olio that eventually becomes a member and we will reward you big! See the breakdown to the right.

**Open Desk Referral**  
\$26,000 Ollars  
(3+ month lease required)

**Dedicated Desk Referral**  
\$36,000 Ollars  
(3+ month lease required)

**Office Referral**  
\$75,000 Ollars  
(12+ month lease required)

## 2

### Continue To Be A Better Member

Yes, believe it or not, actually being a member at Olio does drastically improve the overall community. Therefore, we will reward you for each month you stay at Olio. This monthly, recurring reward will only be applied to those holding the membership in their name. For example, all office members will not be eligible for this particular reward, only the lease holder will receive these monthly points. The points will be given out as follows:

#### Open Desk Member

**\$650**  
Ollars per month

**Dedicated Desk Member**  
**\$900**  
Ollars per month

#### Office Member

**\$1,875**  
Ollars per month

## Business Boosters

There is nothing more valuable to the Olio community than supporting fellow Olians' businesses. Olians will be rewarded \$1,000 Ollars for all business referrals in excess of \$100 USD referred to a fellow coworker or for making a purchase from a fellow coworker in excess of \$100 USD. Olians may also receive \$1,000 Ollars for supporting fellow coworkers through scheduled meetings, referring new job applicants, or making the introduction to a new business partner.

Each Olian can receive credit for a maximum of two Business Boosters per month, or \$2,000 Ollars. Any Business Boosters to fellow coworkers beyond two will be greatly appreciated and will deserve a slow clap from the entire Olio staff at the end of each month.

Please email [loyalty@oliocoworking.com](mailto:loyalty@oliocoworking.com) when you refer someone or receive a referral from someone.

Here are some specific examples of how you could receive Business Booster credits:

-  James refers a new home buyer who needs representation to Angelina, who happens to be a fellow Olian and real estate agent.
-  Larry stops at Gary's Pizza Shop and purchases \$300.00 in pizza for his child's birthday party. This is awesome because Gary's Pizza is delicious and Gary is a fellow Olian growing his business. Therefore, Larry receives \$1,000 in Ollars.
-  Taylor schedules a 45-minute meeting with Drake (Olian and accountant) to discuss how to better track her receipts in QuickBooks. Drake being the nice guy that he is, happily helped Taylor, therefore, he received \$1,000 Ollars for his kind deed.
-  Erik is struggling to find employees to work for his marketing firm. Luckily, Erin (an Olian sharing a dedicated desk pod with Erik) overheard him complaining about finding a solid staff, so she sent her friend James to Erik as a potential hire. Therefore, Erin received \$1,000 Ollars for helping Erik.

# 4

## Invite A Guest

We'd love to see a new face around the space. Invite friends, family (18+), or other coworkers to come enjoy a day at Olio. For each unique guest (unique implies that credit will not be given for bringing the same guest in more than once per month) you bring to the space, we will reward you with \$400 Ollars (maximum of two guests per month). To receive credit for bringing in a guest, be sure to send us an email with your visitors name, phone number, and email.

P.S. As a quick reminder, Olio Coworking does require the name and contact information of all guests visiting the space. If you meet with someone for a quick minute to show them where you work, no need to send us their information, BUT those guests who visit for an extended period of time (more than 30 minutes) should share their contact information.

# 5

## Participate In The Community

Olio will never become a tight-knit community without each Olian participating in the community. Therefore, a good Olian will be rewarded \$200 Ollars for every event they participate in.

# 6

## Personal Profiles

Olians will receive \$500 Ollars for filling out their personal profiles. Yes, some have described it as "lame" or "childish", but your "Olio Leaders" really need that information to better serve and connect Olians with other members.

# 7

## Quarterly Goals

Olians are typically the best of the best, with big dreams and goals. As we all know, it's hard to do big things without having measurable goals in place to make that dream into a reality. It's also impossible to receive help from fellow Olians when those goals remain private. Therefore, Olio Coworking will start sharing coworkers quarterly goals at the start of every quarter. We'd love all Olians to participate! Thus, each Olian that participates in the quarterly goal sharing will receive \$600 Ollars as a sign of our gratitude.
